Full / Associate Professor and Associate Dean Position

The Computer, Electrical, and Mathematical Sciences and Engineering (CEMSE) Division (http://CEMSE.kaust.edu.sa) at King Abdullah University of Science and Technology (KAUST) is seeking a leading scientist for the position of Associate Dean. The associated faculty appointment will be for Full Professor or Associate Professor either in Computer Science, Electrical Engineering, or Applied Mathematics.

KAUST is an international, graduate research university dedicated to advancing science and technology through interdisciplinary research, education, and innovation. Located on the shores of the Red Sea in Saudi Arabia, KAUST offers superb research facilities, and internationally competitive salaries. The university attracts top international faculty, scientists, engineers, and students to conduct fundamental and goal-oriented research to address the world’s pressing scientific and technological challenges related to the sustainability of water, food, energy, and the environment.

The CEMSE Division is looking for candidates who have the passion to pursue a high impact research program and have a commitment to teaching at the graduate level. The appointment will be split 50% research and 50% administrative duties, including:

- Curriculum development and maintenance
- Developing and directing the implementation of academic goals, objectives, policies, procedures, and standards
- Coordinating the academic faculty ensuring quality assurance and accreditation compliance
- Keeping up-to-date on international education trends and development and ensure these are reflected in Division programs and policies
- Course and class scheduling
- Monitoring compliance to teaching duties by the faculty
- Overseeing the student admission process
- Development and coordination of student recruiting strategies and activities
- Student performance monitoring

Applicants should apply at the http://cemse.kaust.edu.sa employment site. Applications received by August 15, 2013 will receive full consideration and the position will remain open until filled.
